The image shows the interior of a restaurant. The focal point is a service counter with a vibrant, multi-colored geometric mosaic wall behind it. Two large vertical rotis are visible on the counter. Above the counter, there are digital menu boards displaying various food items. The ceiling is white with recessed circular lights and decorative wooden beams. Three ornate, multi-tiered pendant lights hang from the ceiling. The dining area in the foreground features wooden tables and white modern chairs. A large potted plant is visible on the right side of the image.

THANK YOU!

The logo for Intra Design is located in the top left corner. It consists of the word "Intra" in a stylized, bold, sans-serif font, with the letters "i", "n", and "r" having vertical bars through them. Below "Intra" is the word "DESIGN" in a smaller, all-caps, sans-serif font. The logo is set against a black rectangular background. The entire background of the image is covered by a network of thin grey lines connecting black dots of varying sizes, creating a complex, web-like pattern.
